

SPOUT SPRING.

Asa Todd visited friends and relatives in Clark county last week.

Mr. W. L. Byrd attended several meetings of the big Union revival at Winchester last week.

Mr. H. F. Christopher was in Stanton last Thursday and made arrangements for his daughter, Miss Lilly, to attend the College located at that place.

Mr. W. G. Patrick, postmaster, merchant and farmer, of Kimbrell, near this place, has sold out and will move to Wilmore, Jessamine county, in the Spring.

H. K. Blanton, near this place, had a couple of splendid Norman mares to die of late. It is thought that their death was due to the eating of damaged corn and fodder.

Prof. Franklin Margison, our splendid school teacher for the past two years, has sold out and moved to Irvine where he will engage in the store business. We regret to lose the Professor, but wish him success in his business.

We have received a very pretty little calendar from the Kentucky Illiteracy Commission at Frankfort. The calendars are sent to the newspapers as a mark of ap-

preciation for the aid given in the good work being pursued by the commission. The work has now been extended all over the State, and is making rapid strides under the able direction of Mrs. Cora Wilson Stewart.
